**Kids Hope | Mentors Needed**

**Ongoing**

Perimeter Church along with several other UNITE churches partners with local schools to reach a shared goal that every Atlanta area child would graduate from high school. Establishing relationships with public schools provides an abundance of ways for us to serve, positively influence and bless children and their families. We have just partnered with Findley Oaks Elementary School, just five minutes from the church. Help change the trajectory of a young child's life by investing just one hour each week. For more information contact Mary Lou Heaner at [MaryLouH@perimeter.org](mailto:MaryLouH@perimeter.org)
