Hi-Hope Service Center | Creative Companionship

Sep | Mon – Fri | 9:00AM – 2:00PM

882 Hi-Hope Road, Lawrenceville

Hi-Hope loves to create opportunities for friendship and community- building by leveraging the interests and talents of our volunteers. To that end, we start by having our volunteers visit a few times to get a feel for our organization and then we come up with a project description to guide the volunteer's service. This process has successfully yielded music groups, cooking clubs, acting sessions, improv comedy experiences, and basic companionship on a weekly basis. The process is simple and straight forward. Start by filling out an initial inquiry at www.hihopecenter.org/volunteer and register for an orientation session. Contact Jessica Szafrank at jszafrank@hihopecenter.org for more information.

Hi-Hope Service Center | Family Day

Sep | Saturdays

882 Hi-Hope Road, Lawrenceville

Sponsor an afternoon activity at Hi-Hope's main campus or a group home to bring together the family members of the individuals we support. Plan some basic outdoor activities to keep folks entertained and develop a menu or potluck instructions with Hi-Hope staff to provide a meal. This is a simple, community building activity that has been a huge hit in the past. It doesn't need to be anything over the top, just a well-developed opportunity to come together and socialize as a "family."

Contact Jessica Szafrank at jszafrank@hihopecenter.org to help.
