

*Do not be anxious about anything, but in everything by prayer and supplication with thanksgiving let your requests be made known to God. And the peace of God, which surpasses all understanding, will guard your hearts and your minds in Christ Jesus.*

*-- Philippians 4:6-7 English Standard Version (ESV)*

We hope and trust that you are all adjusting well to the new social distancing protocols, online classrooms, working from home, less busyness, and more family time. It's amazing how much has changed since last Thursday!

#### **ONLINE-ONLY WORSHIP – Continuing through April 5**

We have made the decision to continue with our online-only worship services through Sunday, April 5. The worship team is putting some finishing touches on the contingency plan for Holy Week services, including Maundy Thursday, Good Friday, and Easter Sunday. We will communicate those plans as soon as they have been solidified. Additionally, the church building will remain closed until further notice.

It was so great to see the many posts of the Perimeter Family worshipping together online last weekend. Please keep sharing with us on our Facebook and Instagram accounts all the ways that you and your family are experiencing, coping with and making the best of this pandemic situation. Share your stories of serving others, being served, and the ways you see God working and moving in your life through all of these changes. This is a great way for us to connect, share, worship, and belong in community together.

#### **WAYS TO GIVE FROM HOME – tithes, offerings, gifts via website, app, text-to-give and mail**

As we worship online it is essential that we continue to give online. Our deacons fund and our community ministry partners are experiencing greater demand as the shutdown continues to limit people's opportunity to work. Your tithes and offerings fuel all that we can do to support the care for those in greater need.

Tithes, offerings, and gifts may be made from our website, on our app, through text-to-give or mailed to the church (9500 Medlock Bridge Road, Johns Creek GA 30097). You can set up automatic reoccurring tithes and offerings as it looks like we won't be passing baskets anytime soon. Your continued support will be critical to our ability to meet the many needs in these extraordinary times. Thank you for your faithfulness.

### **TUESDAY NIGHT PRAYER – a call to fast and pray as a church family**

Tuesday Prayer & Fasting – This next Tuesday Jeff Norris is calling for the church to fast and pray individually during the day and then join together via Facebook Live that night from 7:00 – 8:00 PM on Facebook Live (via the Perimeter Church Facebook page: [perimeterATL](#)).

The hope is to do this every Tuesday for as long as we are experiencing this public health pandemic. We are looking forward to this additional touch-point during the week and a chance to pray together as one body of believers.

### **SERVING THOSE IN NEED – Drop-off location for food, gift cards, and used laptops/tablets**

Beginning Monday, March 23, Perimeter Church will be one of several UNITE! churches collecting food and other essential needs for the community. We will have a drop-off box located under the covered Chapel entrance. Drop-off times will be daily from 9:00 AM to Noon. In addition to food we will be collecting gift cards, used laptops and tablets. Help spread the word. Learn more at [perimeter.org/Food](#)

### **THE PULSE – Your new weekly resource tool**

Beginning next Thursday, we will be creating and sending out a revised Pulse email to help you easily find all of the great resources being created for serving, caring for you, discipleship group, children, young families, parents of teens and more. Be sure to signup to receive the Pulse email at [perimeter.org/pulse/subscribe](#).

In the meantime, to access the latest ministry resources, please visit our new resource page at [perimeter.org/MinistryResources](#).
